MANY THANKS: CHARLES ANGSTADT

This year, we have dedicated our yearbook to a man who has given many things to this school. Since 1952, when he was hired to teach history and physics until 1978 when he took a sabbatical leave, Mr. Charles Angstadt has been involved in many things. He served as Senior Class Advisor, Science and Photography Club Advisor and as Parliamentarian.

Prior to his teaching career, Mr. Angstadt attended Kutztown State College. Later he received his Masters Degree from Lehigh University. He now enjoys finishing antiques in his spare time.

Mr. Angstadt is not only a teacher. He is knowledgeable in many different aspects of life. Through his various philosophies and unique ways of applying physics, he made his students think. He was a dedicated teacher, interested in the student as a person. His students knew that, and held him in deep respect. Although Mr. Angstadt is very independent and says what he thinks, he is a great teacher for all age groups, and by all means a teacher who stands among the best.

Mr. Angstadt leads an active and interesting retirement along with his wife, Irma.

Mr. Angstadt is seen here seated in a Chippendale chair which he built himself. Beside him stands a tilt top table which he also constructed.

Mr. Angstadt's hobby is refinishing antiques for himself and other people as well.

Dear Seniors,

In these times of uncertainty, it is difficult to dispense patented perscriptions for post high school success. The years ahead will most certainly be ones of rapid change for our entire society. Hopefully, your years in the Kutztown Area School District have helped you to acquire the tools to succeed in our environment of change.

Our track record in prior years has been good. We have some evidence that most of our graduates do succeed in their chosen ways of life. The tradition of our schools for over one hundred years, has been one of excellence. The "Cougar Trail" promises success to those who are willing to ride its rocky road.

JOHN BUTLER

Dear Seniors,

As you read this you are only a few days away from commencement. You have been an excellent class.

We will soon approach the next decade. You are charged with making improvements in society. Your twelve years of education will give you a good background in which to solve some of the problems relating to inflation and energy.

On the Cougar Trail you will discover tough choices, but you have been prepared to cope with difficult situations. Never compromise your principles, when you have a worthy cause, stand up for it.

Best wishes in whatever path you follow.

Working with computers and other business machinery and the basics such as typing, shorthand, and accounting make up the curriculum for business students at K.A.H.S. Directing these courses are Mr. Lengel, Mrs. Dougherty, Mr. Horst, and a new addition, Mrs. Reign. These able instructors and their courses help prepare the students to earn a living in the business world today.

RICHARD GOUGLER

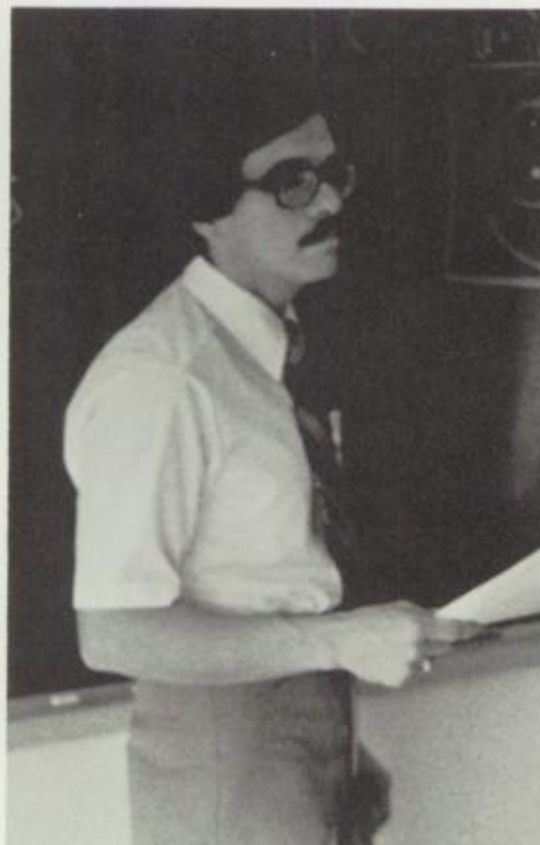

KENNETH GARRETT

The Cougar Trail through mathematics is a tough, but valuable one. After freshmen finish Mr. Garrett's algebra I, they are ready to tackle planes, circles, and triangles with Mr. Macaluso. Then Mr. Walker keeps the juniors alert with algebra II. Courses in linear algebra and probability are offered by Mr. Gougler. Students are offered trigonometry, senior math, analytical geometry, and calculus in their senior year.

Variety is the spice of life, and the language arts department adds that ingredient. Miss Ulrich, Mr. Steitz, Mr. Shaw, and Mr. Haring handle the sophomore English classes and the mini courses while Mrs. Bodnyk is in charge of all the freshmen English classes. These classes do provide the students with the variety needed to make their education both a successful and interesting one.

Every year there is a greater variety of mini courses to choose from. This year our history mini courses are expanding again. "Indians of America", with Mr. Jacoby, "W.W.II", with Mr. Luptowski, and "Psychology and Sociology", with Mr. Adams are some of the newer courses. "Economics of Marriage", with Mr. McGonigle is becoming one of the students' favorites. This variety of "minis" is bound to keep our student body informed. The past and the future are always near at hand at K.A.H.S.

Standing: Joyce Overly, Grace Haas, Dorothea Boyer, Lucille Bubbenmoyer, Sue Mertz, Christine Boyer. **Seated:** Rose Selak Catherine Freeby, Alta Brobst, Ruthanne Luckenbill, Marian Bollinger, **Not pictured:** Fern Kline.

Can you imagine what our school would be like without people to care for it? Luckily, there are many capable people who keep our building clean and our personnel healthy. Lester Meck organizes maintenance while Lester Kerchner and his staff of custodians make sure K.A.H.S. is always clean and sparkling. Also helping to keep us healthy are our wonderful cooks. They work continuously through all four lunches, and Berlye Carl, as cafeteria manager, makes sure all our meals are well balanced and nutritious. We are thankful to all these people for the great job they do.

NURSE

Mrs. Skyles is not a new face at K.A.H.S., she just has a new position. As your school nurse she takes care of such things as your height and weight. She runs the annual eye and ear check-ups and assists Dr. Robertson in making sure you are ready for your favorite sport. Whenever you're feeling under the weather, it's nice to know someone is there who cares.

POISE, PERSONALITY, PROMISE

DEBBIE, OUR JUNIOR MISS

DEBORAH WALKER

On the evening of October 6, 1979, Debbie Walker represented KAHS as our Junior Miss. Prior to the pageant she was interviewed, and evaluated on her scholastic achievement. The girls were also judged on youth fitness, poise, appearance, and talent.

Debbie looked stunning on stage as she performed her self-choreographed dance to "The Music and the Mirror" from the Broadway show **A Chorus Line**. After a brief intermission, the junior miss candidates dazzled the audience with a breath-taking evening gown competition. Debbie displayed her good taste with an exquisite maroon gown, very much to the audience's approval.

"I was very honored to represent KAHS," said Deb. "It was an experience I'll never forget."

Debbie Walker is a multi-talented person, and we the members of KAHS, should feel honored at having her as a classmate and friend.

I wonder what she's doing Friday night?

He's got to be kidding.

It all fit in here before.

Bruce, are you listening to me?

With a membership of thirty-seven representative and four officers, Student Council means action. Over the years Student Council has provided such services as Movies, dances, car washes, and this year, Homecoming Weekend! Council was headed this year by President Roz Reichert, Vice President Larry Stratton, Secretary Julie Peters, and Treasurer Craig Koller. STRIKE UP THE BAND!

This year, with more spirit than ever, the Kutztown Cougar Band is following the Cougar Trail. The Marching Band performed under hot, rainy, and muddy conditions to show its dynamic support for the football team. They conducted themselves with precision and excellence at the many parades and competitions, thus earning awards of prestige and an outstanding reputation.

The Concert and Marching Bands, under the direction of Mr. Richard Huyett and assisted by Mr. Daniel Drew, are anxiously awaiting their trip to Virginia where they will compete for national honors.

All those long hours of tedious practice are a tribute to all who appreciate the musical excellence that the Cougar Band displays.

PEP BAND

Pep Band is an organization of volunteer students who perform at home basketball games and an occasional assembly. This year the Pep Band leaders are Rob schaffer and Brian Mertz. Pep Band is certainly the right name for this group because they are enthusiastic about their work and show it in their music. The Pep Band helps ignite excitement in The Cougars and, along with the cheerleaders, really proves that K.A.H.S. is a school spirit!

K.A.H.S. BAND FRONT

With dancing flags, twirling batons, and spinning rifles, the Kutztown Band Front is the pride of our award winning band. Jill Schonely and Debbie Walker lead the Cougar Majorettes, while Molly Kramer and Kim Mertz direct the rifles. Taren Badders and Karen Haring are the co-captains of the flags,

and leading the front is the honor gaurd. This year's feature twirler is Andrea Lauro. She dazzles the show with her quick, and graceful movements. Carolyn Kemp, our drum major, directs the band . . . with a 1, and a 2, and a 1, 2, ready play!

The front not only thrills foot-

ball fans at halftime shows, but they also take your breath away when seen in any one of the haloween parades they perform in. Countless hours of practice, and a driving dedication is what makes the Cougar Marching Band Front the best there is.

VO-TECH

Students planning careers that require technical training may attend one of the area Vo-Tech schools. There they may attend courses that prepare them for jobs in fields such as data processing, masonry, dental assistance, or auto mechanics. Instruction includes everything from the history of the career to the job quality expected of workers. Vocational Clubs of America is an organization which many Vo-Tech students join. It provides an opportunity for members to meet other people interested in similar careers, and to prove their skills through shop competitions. All these things make up Vo-Tech and prepare our students for the modern working world.

D.O.E.

D.O.E. stands for Diversified Occupational Experience which means that students in the program attend classes during the morning hours, and then go to their jobs at any one of the participating businesses in the area. This program allows students to get their diplomas and gain job experience, too. Mr. Tobias the D.O.E. instructor, provides information about careers, their requirements, and opportunities. The D.O.E. Program is one of the increasing number of K.A.H.S. options preparing students for the decade of the 80's.

COUGAR YEARBOOK STAFF

On any Tuesday or Wednesday out of the year you will find a flurry of excitement surrounding the Cougar Yearbook Staff meetings. Copy Editor Tina Haas and her staff are busy writing and rewriting their articles. Business Co-editors Lori Kutz and Wanda Oswald are keeping their staff and typewriters buzzing with material for the next deadline. And Layout Editor Karen Haring and her staff are busily leaning over pages, rulers in hand, preparing their latest assignments. Finally, with the approval of Mrs. Warmkessel, Business Adviser, Mr. Haring, Copy Adviser, or Mr. Schwoyer, Layout Adviser the book is ready for the printer and another Cougar is on the way.

Craig, which picture of me do you think looks the best?

Karen!, we can't put those kind of pictures in the yearbook.

KAHSPER

This year, like other years, the KAHSPER staff was rather small, but each one contributed a little something to make each issue a little different. For instance, do you remember the hairy legs contest, the logic problems, horoscopes or Dear Alice?

The week before deadline is always a busy one for the reporters and co-editors, Ros Reichert and Tina Haas. Once everything is handed in, our advisers, Mrs. Bodnyk and Mr. Haring are busy proofreading. The articles are then given to Mrs. Reign's typing class, layed out and sent off. In about a week everyone has a copy of the newspaper.

MORNING ANNOUNCEMENTS

What better way to start the day than with a cheerful "Good Morning." This year, the responsibility for this early greeting was left in the hands of an able few. Their's was the task of getting us started, leading us through the Pledge to the Flag, and reminding us of any current events or accomplishments. We wish to recognize and thank those anonymous announcers for a job well done. It was better than a cup of coffee.

Announcers for '79-'80: Mark Hershberger, Ken Loose, Julie Peters, Ros Reichert, Matt Wagner, Taren Badders, Colin Heffley, Heidi Moyer, Troy Greenawalt, Tracy Fenstermacher, Harold Fleisher, Tony Barbera, Chuck Youngerman, Tim Heffner (Chairman).

CLUBS

Friday is always a day to look forward to because Friday is club day. Clubs are a chance to be with friends and have fun while sharing interests and learning something new. Clubs provide for a variety of interests from beer can collecting to card playing to first aid. There are old favorite clubs too, like F.B.L.A., G.A.A., or knowledge bowl. Clubs are fun and profit for K.A.H.S. students and turn out to be one of their fondest memories.

Lorna's busy making a poster for the T.V. game in spirit club.

THEY'RE ALWAYS THERE WHEN

Existing in our school are many people who do various jobs behind the scenes. They assist many people in getting the job done. These students offer aid to students and teachers alike.

Our thanks goes to these students for giving of their time and talents. Without them, our school life would be a little more hectic.

VARIETY SHOW

On November 16 and 17, the Class of 1980 brought more than twelve hundred on-lookers to their feet with their presentation of "Kutztown Kabaret", a variety show. The show presented singing, dancing, comedy, music, and drama, performed by a cast of more than fifty talent-packed seniors under the direction of Mr. Richard Huyett. The variety show will be talked about for years to come. The whole school extends congratulations to the Class of 1980 for a job well done.

SPORTS . . .

Dedication

On February 26, 1979, Ralph Deily died while practicing with the track team. In sorrow, we remember the passing of our friend. In honor, we dedicate the sports section of the 1980 Cougar to his memory. May his hard work stimulate us to grow, his determination inspire us to win, and his sportsmanship remind us of the true goal of athletic pursuit.

SOCCER

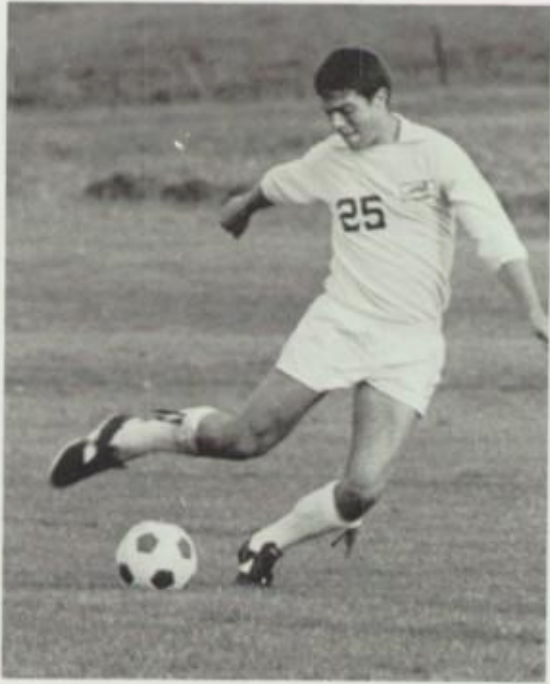

The Cougar Soccer Team continued their reputation of being a major force in the Berks County Soccer League. This year's squad finished the season with a tough 3-2 loss to the Bullets of Brandywine, leaving them an overall record of 10-9-2. The Cougars finished fourth in Division Two behind Fleetwood, Brandywine and Oley. The team was led by Super Seniors Craig Sinclair, Matt Wagner, Wayne Shade, Scott Jack, John Stein, Tony Barbera and Scott DeLong. High scoring sophomore Dave Stein was also a big help. With this kind of dedication, the Cougar Soccer Trail will lead up to better things.

Football

The Cougar Football Team had a season they can be proud of. The varsity team had a record of 1 win and 10 losses scoring more points in one season than ever before.

The team, led by seniors Jim DeLair, Ron Hilbert, Gary Kline, Rob Rarick, Dave Reed, Dave Rothermel, Dwayne Scheidt and Tim Smith, showed marked improvement in defense as well as offence.

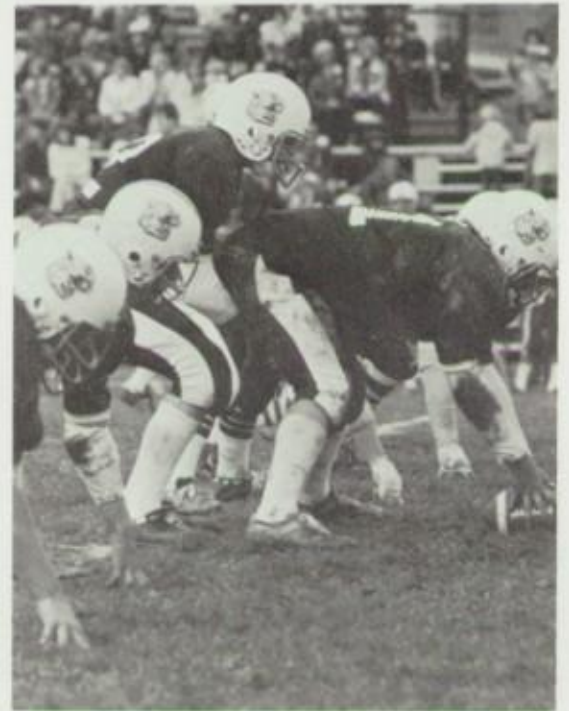

Rob Rarick was selected as the 2nd team running back for the Reading Eagle All Berk Team, as well as the Inter-County League Team. Honorable Mentions were awarded to Rob Rarick, Kevin Stump, Dale Conrad, Eyvind Boyesen, and Dave Ford.

Congratulations for a fine season, and good luck next year.

Hallie Oswald, number one singles player, won all the league matches except two. Sue Heffner, number two singles, has not lost a league match in her two years of competition. Sue and Hallie combine to make an excellent team.

Kathy Schaeffer, the only starting senior, had a league record of eleven wins and three losses. Frequently, Kathy found herself in the unenviable position of playing for a much-needed win. Our congratulations to the team for a successful season.

First row: Lisa Herman, Sharon Flail, Lauren Dixon, Sue Heffner, Laura Green, Coach Loose. **Second row:** Katherine Schaeffer, Hallie Oswald, Mitzi Hoppes, Donna Wartzenuft, Elizabeth Stoudt, Julie Herman.

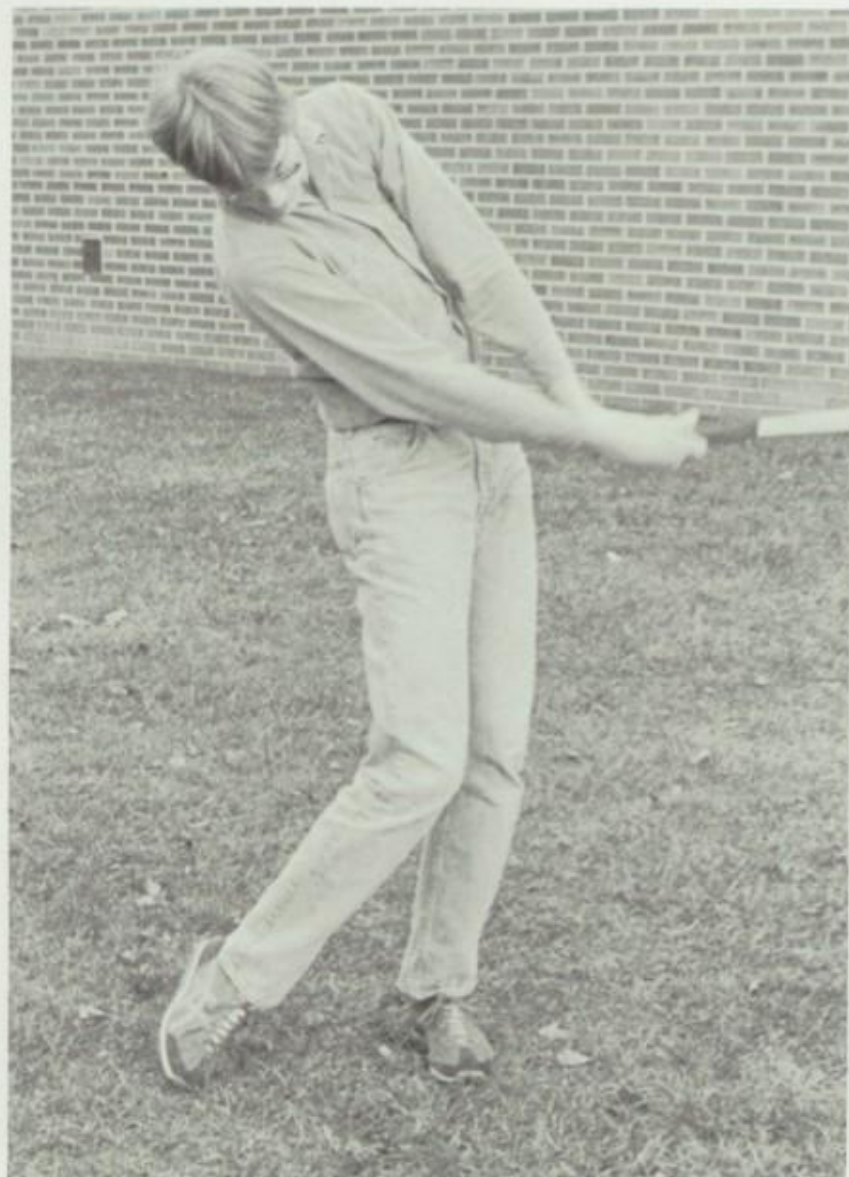

GOLF

This year's golf team had a good time keeping track of the ball. Their season league record was six wins and three loses. Concentration and a fine eye are important qualities for golfers. Harold Fleisher, a senior, displayed them both. He was number one man with a low round of seventy four. The other seniors were Mark Herhberger and Scott Sunderland, who also served as team mascot. Coach Lazo is looking forward to next year's team. Some fine returning players are Tim Mertz, Joel Graff, and James E. Phillips, who had this years only hole-in-one.

Highlights of the season were records broken by senior goalie Cheryl Dreibelbis (124 saves) and junior center back Barb Schroeder (191 defensive tackles and interceptions). Stormy Baver created a new offensive record of 105 cut-off passes. Mrs. Dionisio, Miss L., Mrs. Erb, and the entire team are to be congratulated for a job well done!

BOYS' CROSS COUNTRY

The Boys' Cross Country Team finished their season with a fine 7-1 league record. The team, coached by Mr. Reidel and Mr. Haring, was awarded second place in the Berks County Division II Competition. Although all the runners deserve congratulations, individual accomplishments must be noted. Senior Kieth Flicker, team captain, went undefeated in dual meet competition, won the Muhlenberg Invitational, finished third in the Berks County Conference Run, fourth in the P.I.A.A. District II Race and placed third in the P.I.A.A. State Championships. Keith and senior Ed Stein were also named to the Division II All Star Team.

The team, coached by Mr. Reidel and Mr. Haring, finished second in the Twin Valley Relay, third in the Berks County Conference Championship run, and sixth at the District III Championships. Besides the team's fine record there were several notable individual accomplishments. Senior Margaret Greenawald placed Eighth at the Muhlenberg Invitational and eleventh in the District III Run. She was also chosen for the Berks County All Star Team. Freshman Liz Sanders had an outstanding season, featuring a third at the Muhlenberg Invitational, and an eleventh in the County Conference Run.

BOYS' BASKETBALL

The 1979-1980 Cougar basketball season proved to be very exciting and successful. Led by coaches Art Luptowski and Bob Freed and seniors Mitch Bond, Ken Loose, Scott Jack, and Mark Hershberger along with the rest of the team thrilled the fans with victories over rivals Fleetwood and Brandywine.

After finishing the first half of league play with 6-3 record, the team hustled to eight straight wins in the second half. The last game of the regular season was

against Daniel Boone for the second half championship. The Cougars lost a heart breaker, but ended up in second place in section II at the Berks County League with a 14-4 record. The team ended with an overall record of 16-9.

Even though the team will be losing four seniors, including high scorer Mark Hershberger, next year's team will be a contender and continue Kutztown's tradition on winning basketball.

WRESTLING

Kutztown *Area's wrestling team finished their usual superb season with an impressive overall record of 13-2 and a league record of 6-1. They achieved a first place standing in the Kutztown Christmas Tournament, with championships won by Scott DeLong, Tim Stark, Rob Rarick, Eyvind Boyseon, and Scott Piscatelli. They took second place in Berks County Sectionals Championships behind Brandywine.

The wrestlers were led by seniors Tim Stark, Rob Rarick, Scott DeLong, and Ed Stein. Their presence on the mat will be greatly missed, but many fine wrestlers will be returning. A high point of the season came when Tim Stark, with a season record of 25-1, and Rob Rarick, with a record of 25-0, became the first District Champions from Kutztown. Congratulations, boys! The mat men of Kutztown are a proud team with the support of spectators that are equally as proud of them.

The high scorers were Stacey Jack at 286 and Stormy Baver at 240. This was the first year that any team members scored over 200 points.

When the J.V.'s are not cheering on the varsity squad, they are playing some fine basketball as well. They had their best season this year finishing with a 16-2 record and winning the Eastern Division for the second straight year. Outstanding sophomores were Jane Kistler with 143 points and 164 rebounds and Beth Garman with 164 points and 149 rebounds. OUR COUGAR SPIRIT LEADERS!

At every sporting event, during every season, throughout the entire year, our teams are supported by a certain group of girls, the cheerleaders. During the Fall, they brave the elements to cheer the football and soccer teams on to victory. During the Winter, they take to the gym to keep the spirits of basketball and wrestling fans running high. The cheerleaders are always there with smiles on their faces and rah! rah! rahs! to keep the Cougar spirit alive!

COUGAR TALE

K.A.H.S.**1979-1980****CLASS OF 1980**

Education Is Alive And Thriving

Mr. Haring is seen here teaching one of the many English mini-courses offered at K.A.H.S. Mini-courses play a major part in the students' curriculum at Kutztown.

The Pennsylvania Department of Education conducts an Educational Quality Assessment of all school districts in Pennsylvania. The tests are given to fifth, eighth, and eleventh graders. The purpose of the tests is to determine how youngsters are doing in basic skills areas and social areas.

Our youngsters took these tests

last April. The results of the test compare us to school districts of our size and type and also compare us to all school districts in Pennsylvania. We can all be proud of the results of these tests. The evidence is that education is alive and thriving in the 100 square miles that encompasses the Kutzgown Area School District.

International Scars

The winter of 79-80, will always be scarred with the memory of the plight of the fifty Americans held captive in the U.S. Embassy in Tehran. The radical students who seized the hostages promised release of the prisoners only in exchange for the ex-shah of Iran. The militants made it clear that they would only obey their revolutionary leader, the Ayatollah Ruhollah Khomeini who rose to power in Iran after the deposition of the shah.

Seniors Get The Draft

What will our seniors be doing after high school? This year, an involuntary alternative may be the Army, Navy or Air Force. It is very probable that the draft will be back once more. President Carter, reacting to tense international situations has asked for the registration of males and possibly females between the ages of eighteen and twenty. All are nervous about the final decision. When will it start, and when will it end?

Olympic Honors

This was the year of the XIII Olympic Games and the honor of hosting the games was brought to Lake Placid, New York. Although the event got off to a rough start, with transportation problems for spectators, and unseasonal weather problems for contestants, things straightened out soon after the opening ceremonies and the competition became intense and exciting.

The Americans were well represented in several events, not the least of which was the ice hockey competition. After an amazing 4-3 upset over the favored Russian team, our young skaters went on to the final 4-2 victory over Finland winning them the gold medal. This marked a major triumph for the Americans who had only won one other gold medal in hockey during the 1960 games at Squaw Valley.

Eric Heiden completed a one-man ice capades at the Winter Olympics and kept American pride bursting by winning five gold medals in speed skating. The 21-year-old native of Madison, Wisconsin became the first athlete ever to win five gold medals in Winter Olympic competition. Heiden swept the 500, 1000, 1500, 5000, and 10,000 meter events.

Mr. Reidel along with other sporting faculty brave the cold weather and students' marksman-

ship at the band carnival sponsored by the Band Wagon.

Band Sponsors Carnival

One of the biggest and most fun of the Band Wagon money raising projects this year was the Carnival. Early last Fall the parking lot was

cleared and the various concession and game stands set up. There was a raffle with the big prize. Businesses from Kutztown donated their items for prizes as well. The largest crowd pleaser was the dunking booth. Who could resist trying to dunk their favorite teacher! Mr. Breininger, Mr. Reidel, Mr. Huyett, Mr. Drew, and Mr. Darion were the brave souls who took to the water, all for the benefit of the band.

Students weren't the only ones trying to dunk the K.A.H.S. faculty. In the photo at the left, Mr. Drew tries his skill at dunking fellow faculty.

Harry McGonigle

Named 'Coach Of The Year'

Mr. McGonigle is a Social Studies teacher and boys' tennis coach at K.A.H.S.

Mr. Harry McGonigle, social studies teacher at Kutztown Area High School, has been voted Coach of the Year by the Lehigh Valley Tennis Association. Mr. McGonigle has been cited by the group for his teaching of solid fundamentals, his concern for youngsters and his ability to produce exceptional teams year after year. When the Kutztown Area High School team takes to the court in 1980 it will be carrying a six year league record of seventy-eight wins and two losses. Congratulations to a fine teacher.

Winter Dance

On January 12, 1980, a very unique and special occasion happened at K.A.H.S. People passing by the elementary school asked, "What is going on? Those kids are dressed in suits and ties and pretty dresses."

The Answer was the Winter Dance. It is the only semi-formal affair at K.A.H.S. The Winter Dance was catered by the Fancy Pantry and "The Fairer Sex" supplied the music. Everybody had a good time. The food was great, the music inspiring, and the conversation lively. Everybody left the dance with a smile on his face.

The Midas Touch

This year the rush was on for gold. Prices had been soaring to heights never imagined before. For the first time, the price of an ounce of gold crossed the \$900 mark. Many investors would make their fortunes, if they were lucky. But, then again, many would lose.

Spirit Week At K.A.H.S.

The week of February 11-15 was "Spirit Week" at Kutztown. The week started with "Come as you are day" on Monday. Students came to school dressed in their favorite night clothes. Tuesday was "Hat Day" when students dressed in unusual and humorous head gear. Wednesday, the 13th, was "Teacher Dress-up Day." Students came outfitted in the style of dress of their favorite or least favorite teacher. "Sweetheart Day" was Thursday, or course, Valentine's Day. Anyone who had a special friend or would have liked to have a special friend could send that person a carnation as a symbol of their feelings. A pep rally was scheduled later in the day with teachers and students competing against each other in a farce on the Olympics. The week was highlighted by "Olympic Day" on Friday. Everyone wore the attire of their favorite Olympic event. Spirit was alive at Kutztown all week.

Chem Club Travels

On Saturday, December 8th, nine senior members of the Chem Club took part in a field trip. They left the school, along with advisor, Mr. Reidel, and his wife, at 6:30 a.m. Their destination was the Smithsonian Institute in Washington, D.C. The long drive was rather uneventful until they missed a turn off. After circling JFK Stadium three or four times, they were

on their way again.

At the Smithsonian, they visited the Museum of Natural History and the Air and Space Museum. They also visited the Washington Monument, the Botanical Gardens, and the Capitol building. All these places and others were packed into one day which was enjoyed by all. The trip ended at 9:00 when the group returned to the school.
